Experience

Gratis, Mersin — Jul 2026 – Sep 2026
Sales Consultant

- Consistently met the store's target of 5.25 items per transaction while tracking daily KPIs, using upselling, cross-selling and consultative selling to close baskets of around 6 items worth ~TRY 1,000 on average.
- Contributed to store weeks reaching TRY 1M in revenue (~€18K) as part of the sales team.
- Conducted face-to-face outreach to around 20 local business owners, with 11 visiting the store and completing satisfaction surveys (55% conversion).
- Registered around 20 new customers in the store's CRM and followed up on missing KVKK marketing consents, keeping the customer database compliant and reachable.
- Initiated a sunscreen sponsorship with a regional camping business to build local brand awareness.

Efor Lojistik ve Dış Ticaret, Konya — Feb 2026 – Jun 2026
Business & Digitalization Research Intern

- Spent 731 hours over 4 months embedded in a multi-sector logistics SME serving 5 industries, observing daily operations and interviewing the owner and 5–10 stakeholders on problem-solving and technology adoption.
- After reviewing my findings, the owner adopted Excel-based revenue and job tracking and began using AI to research regulatory changes and past cases, making the business easier to track.
- Developed a 5-element framework on informal knowledge sharing and cross-sector learning from real cases.

Pangea Art Days, Istanbul — Mar 2019 – Jun 2019
Founder & Event Lead

- Founded a 4-day arts festival for high school students with 6 workshops (painting, sculpture, cartoon, illustration, mural, marbling) and 160 participants, closing with a public exhibition.
- Raised TRY 50K (~€8K) in cash sponsorship by reaching out to 50+ organizations, securing Kültür A.Ş. (Istanbul Metropolitan Municipality) and Indomie as main sponsors, plus food sponsorship from a local bakery and a Turkish candy brand.
- Recruited established Istanbul-based artists as workshop mentors, including an internationally recognized emerging photographer and an exhibiting artist and author.
- Led a cross-functional team of 40+, managing the project budget, forecasts and sponsor cash flow through to the final exhibition.

Last Penny Co., Ankara — Aug 2022 – Aug 2023
Marketing Intern & Junior Media Manager

- Conceived an Instagram series for the company's Efes Pilsen partnership, in which staff introduced the products one by one, reaching ~50K views and ~656 likes across the series (6,955 views on my own video).
- Promoted live events, managed artist and guest interactions and gathered in-person customer feedback, keeping brand communications consistent across Instagram and Biletinial.com.

Kar Sports and LC Waikiki — 2021 – 2022
Sales Consultant

- Built lasting customer relationships, organized special orders and advised 50+ customers per shift.

Education

Sapienza University of Rome — Starting Dec 2026
MSc Economics and Communication for Management and Innovation

Ca' Foscari University of Venice and H-FARM College — Jul 2026
BSc Digital Management (L-18), 96/110

- Thesis on innovation in a multi-sector logistics SME, based on 731 hours of fieldwork.
- Generative AI capstone, building and testing a custom GPT agent for a real use case against a baseline.

Volunteering

Kadın Atölyesi, Mersin — Aug 2025 – Oct 2025
Volunteer Workshop Facilitator

- Ran 3 digital literacy and everyday AI workshops for around 15 women aged 30–70, plus a quiz night.
